GEORGIA DOT SCHEDULES MOWING OF STATE ROUTES IN TAYLOR COUNTY

WHEN: Beginning Monday, September 26 and continuing through Thursday, September 29, weather permitting.

WHERE: SR 127 and SR 90 in Taylor County.

WHAT: Georgia DOT Maintenance crews are scheduled to mow the shoulders of the roadway on SR 127 and SR 90 in Taylor County. Mowing is tentatively scheduled daily between 7:30 a.m. and 5:30 p.m., beginning Monday, September 26 and continuing through Thursday, September 29, weather permitting.

Each day, hundreds of Georgia Department of Transportation employees and contractors work on dozens of highway, bridge and intersection improvements throughout the state. Their work often brings them and heavy machinery in close proximity to travel lanes. Fifty-seven Georgia DOT personnel and many more motorists, passengers and contractors' workers have been killed in highway work zone accidents since 1973. Please help us prevent these tragedies by slowing down; being especially attentive and cautious as you pass through construction work zones; and always driving responsibly. Safer Driving; Safer Work Zones; For Everyone.
